Friendship is important to us. Everyone (1) ..... friendship. In all our lives, we cannot live without friendship just as we cannot survive without air and water. Friendship gives us a feeling of (2)..... and encourages us to go ahead all the time. But real friendship is not easy to find. True friendship must be sincere and (3) ..... It is based on mutual (4)..... not on mutual benefit. Some people try to get benefits from their friends, and their friends also try to make use of them. If such a relationship is called friendship, we need no friends at all.

**Part 7: Read the following passage and decide if the statements that follow are TRUE or FALSE (1,0 m)**

Broadcast and electronic media today are portable sources of entertainment and information distributed by wired and wireless radio and television stations and networks, sound and video recordings and the mobile Internet.

They offer informative and entertaining content of both general and special interest.

Their competitors include the traditional print media: books, newspapers, magazines and newsletters. However, today many radio and television stations and network publish digital electronic editions or versions on the Internet alongside the publishers of books, newspapers, magazines and newsletters.

1. .... Television and radio are broadcast electronic media.
2. .... Only entertainment content is found in broadcast media.
3. .... Books are the traditional medium of mass communication.
4. .... Electronic media has no competitors.

--- The end---
